Enclosed you will find your custom 2025 RAF-O-Meter poster and an orange Sharpie pen to chart your RAF Participation success!

The poster can be displayed as-is, or you can have it mounted on foamcore to stand up on its own for approximately \$35.* (Please submit any receipts through Local AOR's LCRC sub-account.)

Send us photos (LisaE@car.org) of your RAF-O-Meter as you reach your goals – we'd love to see your progress in the months ahead!

**Businesses that mount posters include Kinko's, office supply stores (Office Depot, Staples, etc.), certain Walmarts, and local framing shops. It is best to call first and confirm they have 24" x 36" foamcore before you take it in. (FYI: Posters edges will be trimmed by 1/8" after mounting.)*
